Domaine de Bel Air

This beautiful well maintained site continues to delight both existing and new customers and offers excellent facilities for both young and old alike.

The recently expanded opening periods have been greatly appreciated by residents who can now enjoy the site from the beginning of April.

The site's policy of continuously investing profits back into the business makes this a truly unique leisure park, much to the appreciation of the existing customers. Getaway Holiday Homes can offer both Delta & O'Hara mobile homes fully sited for 2009. Prices for 2007 ex demo models start at £14,495 sited, including all taxes and installation.

Residential Site Pont L'Abbe

2009 saw the introduction of our new residential site based in the "Finistere Riviera" close to the centre of Pont L'Abbe.

This site offers customers the opportunity to purchase the plot of land and in effect become the registered land owner. Although extremely rare in the UK this scheme is quite common in France.

As the land owner there are no annual site fees to pay and no restrictions on usage. What's more you are purchasing an asset and combined with your mobile home should not be viewed any differently to a house purchase. With just 100 plots in total this exclusive offer is a unique opportunity to have a permanent base in France which can be shared with all the family for years to come. Our Delta Galaxy home is ideally suited to this site and prices including installation and transport start from £29,995.

New from O'Hara: Restricted Mobility Homes

For those with restricted mobility Getaway Holiday Homes can now offer the O'Hara Life mobile home. Specially designed for wheelchair access this superb home offers the freedom to enjoy campsite living without any restrictions.

Price available on request as all homes are tailored to individual needs.

Getaway Holiday Homes offer a 3 night free accommodation package to help make your visit easier. We are also able to supply discount ferry travel to keep the cost of your visit to a bare minimum. All trips are undertaken on a strictly no obligation to buy basis and no pressure sales. We strongly believe the mobile homes and leisure parks sell themselves!
