New developments at Camping Bel Air.

May 2011 saw the introduction of the new swimming pool complex at Camping Bel Air, including an indoor pool facility. The new pool complex has been well received by the Bel Air customers and makes this special campsite truly unique within the area. As recognition of the new developments and continued investment on Camping Bel Air, the Federation of French Campsites has awarded this site a new 5 star status. This currently makes Bel Air the only 5 star campsite within Finistere!
